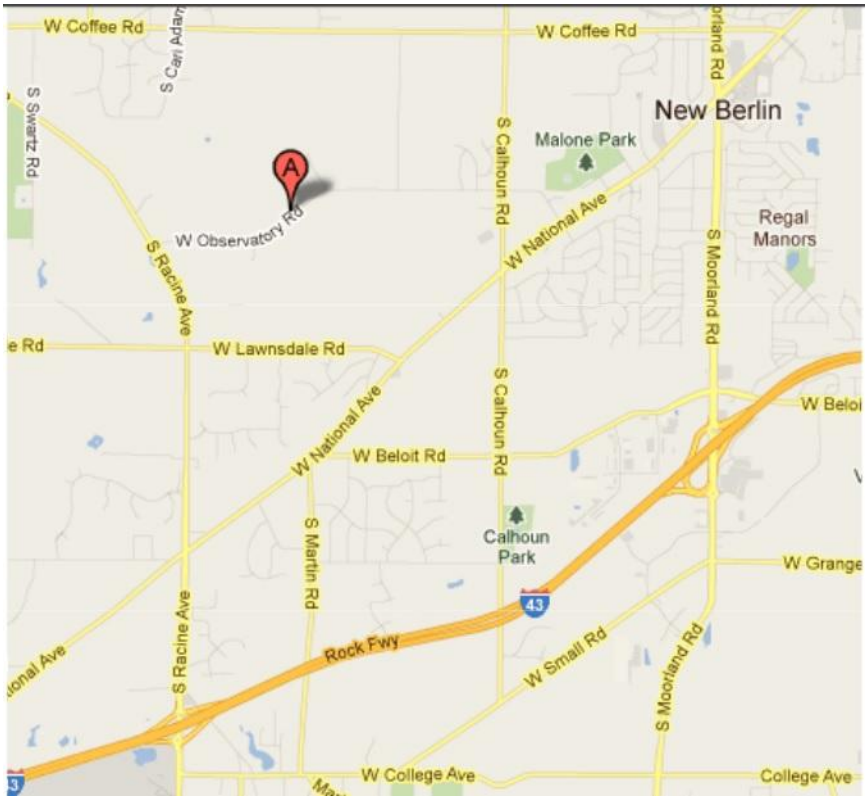
The Milwaukee Astronomical Society

2017 Public Night Schedule

Join Us For An Evening Under The Stars

The evening will include a tour of our observatory, a presentation on the topic of the night, and viewing through the telescopes if weather permits. If not indicated otherwise, the topic will cover prominent objects that are on display that night.

All Public Nights are held Rain or Shine at the MAS Observatory in New Berlin.



18850 W Observatory Rd, New Berlin, 53146

A $5 parking donation is appreciated.
