AUGUST - 1969

AUGUST MEETING - PLEASE NOTE!

There will be no general membership meeting in August!

Because of light attendance, vacations, and difficulty in setting up programs, it was decided by members present at the July meeting to forego general meetings during July and August henceforth. The June Picnic-Meeting, however, will still be held at the Observatory as in the past.

The Board of Directors will still meet each month as directed in the MAS By-Laws.

The general membership is expected to meet at the UWM Physics & Eng. Bldg. starting in September.

Again, there will be no general membership meeting in August!

OPEN HOUSE

The Open House program is going quite satisfactorily. Though the attendance is somewhat below last year's, our visitors seem genuinely interested in our equipment and program.

The volunteer help is also to be commended, and your Open House Program Chairman is quite satisfied with their efforts.

As a reminder, here is the volunteer schedule for the remaining programs;

August 11; Sister Mary Felice, Susie Soliwoda, Messrs. Harvey Lindemann, Mark Jaeger, Craig Bobb, Bob Simandl, Tom Schwartz, Dan Falkowski.

August 18; Susie Soliwoda, Messrs. Harvey Lindemann, Mark Jaeger, Craig Bobb, Bob Simandl, Tom Schwartz, Roger Worchel, Dan Falkowski.

August 25; Susie Soliwoda, Messrs. Al Brouillette, Harvey Lindemann, Mark Jaeger, Craig Bobb, Bob Simandl, Tom Schwartz, Roger Worchel, Dan Falkowski.

Volunteers with telescopes of any size or type are especially welcome.

Helpers should be at the Observatory by 7:00 p.m., rain or shine. The program begins at 7:30 p.m.

The Observatory address is 18850 W. Observatory Rd., New Berlin, North of National Ave. (Highway 15) and a mile west of the Calhoun Rd. (KX).
