JUNE - 1973

JUNE GENERAL MEETING: There will be NO General Meeting in June, July, or August. Have a good, safe summer!

WE'RE HAVING A PICNIC at the Observatory Sunday, June 24, from 2 p.m. 'till ? ? Picnic Chairman Anne Albrecht ordered some dandy weather, so put your tools, and brushes, and cares away for a while and get together with your fellow members, their families, and guests!

And what picnic would be complete without door prizes, games with prizes for kids and adults, and soda pop?

The games will start at 2:30 p.m. Bring your own supper and a card table (we have chairs) so we can all eat together at 5 p.m. Soda, coffee, and dessert will be provided.

Let's have a good turnout, come rain or shine. Bring your 'scope if you like or use the Society's!

PHOTO EXHIBIT - LAST CALL! Send your photos to or contact Pres. James Toeller before Aug. 31. The prizes and self-satisfaction are worth the effort. Here again are the rules -

- 1) All members eligible except \$5 key-holders, past and present Board Members and the Judging Committee.
- 2) Enter any general astronomical picture-composites, slides, blown-up slides, prints, etc. of meteor trails, rainbows, etc.
- 3) Use any type of camera or telescope-camera.
- 4) A maximum of 10 photos may be submitted.
- 5) Photos must be original and have been taken between 15 Sept. 72 and 15 Aug. 73.

OPEN HOUSE: The 1973 Open House nights, under the Direction of Dr. G. Wagner, will be July 16, 23, 30, Aug. 6, 13, 20, & 27. We expect a large number of guests, so we'll need a large number of volunteers to tend 'scope, guide, or direct parking lot traffic. Moreover, volunteers are needed to help tidy up the Observatory buildings and grounds on July 14 and 15 so that the visitors will be more impressed with our facilities.

If you can help, call Dr. Wagner at 251-6443. Name your job choice and night(s).

ELECTION RESULTS: Election Chairman Harvey Lindemann announced that the vacancies left by William Collins, Virgil Tangney, Garth Hall, and Robert MacLaren were filled by Mary Ball, William Albrecht, Robert James, and Kenneth Krahn.
