DECEMBER - 1972

DECEMBER GENERAL MEETING

This month's presentation will be an entertaining, informative slide-illustrated talk through the courtesy of the Wisconsin Telephone Co.

In the never-ending search for new material sources, new discoveries prove our vast oceans hold an enormous supply of vital food, new medicines and much-needed minerals.

"THE SEA - A NEW FRONTIER" tells of the exciting progress being made to explore, understand, and use this vast world within a world covering 70% of our globe.

When - Friday, 15 Dec. 1972, 8 p.m.

Where - UWM Physics & Engrg. Bldg., Room 137
Corner of E. Kenwood & N. Cramer.

JANUARY DINNER - MEETING

The capacity attendance at our past January Dinner-Meetings has prompted your Society to present another of these pleasant get-togethers!

Mrs. William Albrecht has generously offered to take care of the details and V. P. James Toeller has arranged a fine program.

Fill in the reservation form now. There's no charge for those attending only the meeting. Bring a friend!

When - Fri. Jan. 19, 6:15 p.m. (dinner), 7:45 p.m. (meeting).

Where - Central YMCA, 8th & Wisconsin. There is a parking lot south of the building.

I (we) plan to attend the January, 1973 Dinner-Meeting. Please make _____ dinner reservation(s) at \$4.50 each.

Name _____

Address & Phone No. _____

Please send form and remittance to Mrs. Wm. Albrecht, 5648 N. 34th St., Milwaukee 53209. Phone 464-5085. Make checks payable to Mrs. William Albrecht.

RESILVERING OFFER

If your mirror and diagonal need resilvering, bring them to Pres. William Collins at 5158 N. 49th St. (464-9420). He will ship them along with the Portascope optics. This should result in a reduced rate for both you and the Society.

MESSIER CLUB CONTINUES

The Messier Club, under the direction of Treas. Al Brouillette, will meet at the Observatory Dec. 11, Jan. 8, 22, & 29 from 7 to 11 p.m.

This is a great opportunity for new members to learn something about observing and equipment use techniques.

NEW MEMBERS

The Board of Directors has approved two new members. Meet MR. CHRISTOPHER BUDNIK, 4334 N. 70 St, 53216 466-9305. Interests include the moon, planets, photography of meteor showers, auroras, etc., and shortwave listening.

MR. ROBERT NIMZ, 4921 W. Wisconsin Av., 53208, 476-4630. Interested in the moon, planets, music, camping, & traveling.

BOARD MEETING

The Board will meet after the General Business Meeting only if there is a need to discuss business requiring special attention.
