Starting Sept. 1972, MAS dues will be increased to

\$15 for General Membership

\$7.50 for Juniors

You can be sure this new money will not only cover increased operating costs but will be used only with Board and Long-Range Planning Committee approval.

It is now in effect that the MAS By-Law with respect to Non-Residents (Art. II-Members) will read "Non-Resident members are those who do not reside within 30 miles of the observatory and do not find it expedient to hold any other type of membership". The Observatory is located at 18850 Observatory Road, New Berlin.

Reserved 1972 Canadian Handbooks will be available from Treasurer Al Brouillette at the Jan. Dinner-Meeting. However, unclaimed reserved copies will be sold first come, first served. The price is \$1.60 per copy.

NEW MEMBERSHIP DIRECTORY FORTHCOMING

It is planned to include the MAS Membership Directory with the March Double Dome mailing. Since some members have relocated during the past year, your DD editor would appreciate your informing him of your new phone number. There is no need to inform me of your address change-just the phone no. A post card or phone call will do. Thanks - LeRoy Simandl.
