FEBRUARY - 1973

FEBRUARY GENERAL MEETING: SKYLAB, America's first experimental "Space Station" is scheduled for earth orbit sometime in May. Many experiments are scheduled, but of greatest interest to us are those associated with the Apollo telescope mount.

To acquaint us with some of the details of this new, expanded, manned venture in space, Mr. Harvey Lindemann of the MAS will describe the project at the February meeting.

When - Friday, 16 Feb. 1973, 8 p.m.

Where - UWM Physics & Engrg. Bldg., Room 137
Corner of E. Kenwood & N. Cramer

VOYAGE TO ANDROMEDA! Here is an offer you can't refuse! V. P. & Program Chairman James Toeller has completed the details for a member-guest trip to Chicago's Adler Planetarium, on Fri., Mar. 16, in lieu of the General Business Meeting. For \$5.00, you will ride there and back in comfortable, chartered Greyhound busses, enjoy a fine presentation featuring the new \$250,000 Zeiss Projector while reclining in chairs that tilt back for easy sky viewing, and marvel at the other renovation improvements. If time permits you may view exhibits in the vast astronomical museum and possibly see the workshop!

Don't miss this! Send your \$5.00 (includes admission) per person check now, payable to Mr. James Toeller, 407 W. Mall Rd., Milw. 53217 (352-7144), or sign up at the Feb. meeting. You must reserve by the end of February since the busses can take but 75 people.

PHOTO EXHIBITION: Let's get those cameras clickin'! It won't be too long until the Sep. '73 General Meeting when the judges will offer awards for the top photos. Here are the simple rules:-

- 1) Open to all members except - \$5.00 key-holders, past and present Board Members, and the Judging Committee.
- 2) Enter any general astronomical picture, including composites, slides, blown-up slides, prints, etc. of meteor trails, rainbows, etc.
- 3) You may use any type of camera or telescope-camera.
- 4) A maximum of 10 photos may be submitted.
- 5) Photos must be original and have been taken between 15 Sept. 72 and 15 Aug. 73.

So, get clickin'!

GET WELL WISHES to Sr. Mary Felice and Sec. Mary Ann Tangney, who is recovering from surgery.

NORTHERN LIGHTS: This fine, recently enlarged publication of the North Central Region of the Astronomical League is published quarterly for \$1 per year. Feb. 28 is the deadline for the March issue. Whether a subscriber or not, astronomy related articles 200-250 words long are welcome.
