JUNE - 1979

MONTHLY MEETINGS will continue at the observatory. See the calendar on the last page for dates and location.

ELECTION RESULTS: Your 1979-1980 officers are  
FRANK ROLDAN - President  
JAMES GREENWALD - Vice Pres. & Prog. Chairman  
MRS. VIRGIL TANGNEY - Secretary  
JAMES TOELLER - Treasurer

Elected to the Board: Lawrence Burazin, Daniel Fromm, John Geraci, Dwight Harris, and James Toeller.

Harvey Lindemann will continue as Long Range Planning Committee Chairman, and Ray Zit will continue as Observatory Director. John Asztalos will be his assistant.

Thank you, outgoing officers, board members, and candidates. We hope you will continue to serve the Milwaukee Astronomical Society.

OPEN HOUSE: The MAS Open House Program will begin Mon., July 23 at the observatory, and continue for 7 more Monday nights, ending on Sep. 10. The MAS will host the general public on these nights whether its cloudy or clear. There'll be a program in the lecture hall and viewing through, we hope, many telescopes.

Of course, we'll need men and women to help; guides, parking lot and 'scope attendants, booksellers, and a manager for each night. The observatory will close around 10-10:30 p.m.

Bring your telescope. We want to focus each one on a different object. This will provide more enjoyment for our guests and reduce waiting lines.

If you can help, call Pres. F. Roldan at 344-2354. Also, spend an hour or so helping at Open House clean-up day Sat., July 21.

HELP! The MAS is still in need of a donated 16 mm projector for showing films at the many planned functions. Please call Treas. Jim Toeller (352-7144).

PICNIC TIME! Pack some goodies and come on out to the observatory Sunday, June 24, and relax! There'll be great weather, free soda pop, coffee, whatever someone brings to share, a snappy game or two of volley ball, and ???

The picnic will start at 2 p.m. The Board will meet at 6 p. m. Everyone is invited to attend. And bring your 'scopes!

THE MAS FISCAL NEW YEAR begins September 1. Dues are not yet due but you can save the Society some postage and stationery costs and make Treas. Jim Toeller's job much easier.

Despite the continuing ruinous inflation, MAS dues still are

- \$20 for General Membership
- \$20 plus \$1.00 for each additional family member for a Family Membership
- \$15 for Non-Residents
- \$12.50 for Junior Members (members under 16)
- \$7.50 for Founder Members.

Remit your check made payable to the Milwaukee Astronomical Society to James Toeller, 407 W. Mall Rd., Milw., Wis. 53217, or pay in person at any Society function. Perhaps you can spare a few dollars for the 26" Telescope Fund!?

26" (66 cm) TELESCOPE PROGRESS REPORT: The Fund now has \$9,384.40. The amount varies due to intake and expenditures.

Architect and member John Jach has submitted final plans to the Board early this month.

TWO STARS have been added to the MAS galaxy! They are WILLIAM KUCHARSKI of Cudahy, and THOMAS TUSZYNSKI, West Allis.

FOR SALE OR TRADE: Ten-inch Pyrex mirror, partly ground--a bargain at \$20. Please call Peter Smitka at 964-1706 (home) or 961-2495.

FOR SALE: Six-inch Barrington reflecting telescope. The instrument is in excellent condition and the low price includes finder, slow motion controls, setting circles, equatorial mount, tripod, and eye-pieces. Price: \$200 or best offer. Please call M. Behrendt at 251-7174 after 5 p.m.

METEOR SHOWERS:
